

Hands-on, comprehensive cover

Basic: our complete supplementary insurance package

We have combined the key supplementary benefits into our compact multiple-award winning Basic package.

Carefree protection

**Basic – secure
all-round cover
for your health**

With Visana, you can put together your own insurance cover customized to your circumstances and needs. In the case of Basic, we have combined the most popular benefits from our supplementary insurance offer in one practical package. Basic is the package for everyone who likes to keep things simple without having to dispense with the necessary security. It provides cover for the most common risks not included in obligatory insurance policies. Basic is an excellent, solid package of benefits that has convinced the majority of our customers and it's the one that always gets the best ratings in marketing comparisons.

Advantageously combined

- All-round protection for common risks
- Complete, easy-access package
- Favorable cost-benefit ratio
- Co-payment discount
- No-claims discount
- Discount on multiple-year contracts

Opt for cover that goes the extra mile

When you are ill or have an accident, the obligatory health care insurance (OHI) only provides the basic benefits. We recommend our Basic package to cover insurance gaps or meet additional needs easily and simply.

The Basic package comprises

- 1 Outpatient benefits**, such as check-ups and preventive examinations, non-obligatory drugs, transport and rescue costs
- 2 Benefits for inpatient treatment**, such as cost of accommodation and treatment in the general, semiprivate or private ward in an acute care hospital
- 3 Benefits for complementary treatment**, such as alternative treatment and drugs used in complementary medicine
- 4 Vacanza travel insurance** for at least eight weeks' health coverage for travel and stays abroad
- 5 Contributions toward promotion of health** with various attractive wellness and fitness cheques worth up to CHF 350.– per year
